

## CIVS your competent partner for volunteering in Kenya

Center for International Voluntary Service (CIVS) is a Kenyan NGO. **Since 1994** we organize different types of volunteer projects all over Kenya to provide **innovative and competent support to the needy** and develop harmonious relations among people of different backgrounds and cultures. We cooperate with local development initiatives on the grass roots level.

## CIVS offers you the chance to make a difference

If you are interested in making a difference, CIVS is the right address for you. We enable you to help the needy in a meaningful and sustainable way, while acquiring important life skills.

**Throughout the year** we arrange volunteer projects all over Kenya. **You can choose among 25 projects** the one that suits you best, like Orphanages, Schools, Microfinance, Environmental Conservation, Agricultural Training & Conservation or Arts.

You can also join our **3-week Workcamps**, which run throughout the year in different areas of Kenya and under different topics.

We are very much looking forward to make your stay in Kenya an unforgettable experience. **Welcome to CIVS!**
